### **EXHIBIT A**

Ambit High Income Fund I, LP ("Fund") is a limited partnership organized to seek attractive current income for investors by originating, purchasing and servicing a portfolio of Loans (the "Loans"). It is intended that the Fund will be self-liquidating. However, during the term of the Fund, all capital and certain income will be reinvested, including income from operations derived from a particular Loan (whether as fees, interest, or principal) and not distributed to investors. Generally, new Limited Partners will be admitted at the initial closing and at subsequent closings for up to five months after the initial closing. Although there is no maximum or minimum aggregate amount of limited partnership interests which may be sold in this continuous offering, we have inserted the figure of \$100,000,000 in Part C(1) of Form D as a reasonable estimate of the aggregate offering price of such limited partnership interests.
